About Me

A Skilled full-stack developer and quick learner who adapts quickly to the new environment. Looking for a challenging role in the industry to utilize skills and learnings.

Professional Experience

iNeuron.ai | Internship
Nov-2022- 2023

I have been actively participating in I-neuron Full Stack JavaScript Boot Camp 2.0. Throughout this immersive program, I have been under the guidance and observation of my esteemed mentor, Mr. Hitesh Chaudhary. During this period, I have been extensively learning HTML, CSS, Tailwind CSS, and full-stack JavaScript with a specific focus on React. Not only have I acquired theoretical knowledge, but I have also been engaged in numerous projects.

Taskus | Business transaction monitoring analyst
